100th ANNIVERSARY
CELEBRATION

Seattle Children's Hospital is celebrating its 100th anniversary this year. As part of the celebrations, we are pleased to host a Medical Symposium and Reunion weekend September 28-29, 2007. Our goal for the weekend is to celebrate Children's legacy while focusing on the future, and to honor the hundreds of house staff, fellows and attending physicians whose efforts have made Children's the extraordinary institution it is today.

We hope you will join us for all of the weekend events, including a Medical Symposium held at Children's Hospital on Friday, an Alumni Reunion Dinner at the Grand Hyatt hotel on Friday evening and a brunch and hospital tour on Saturday morning. These events are complimentary and you are welcome to bring a guest to the dinner and to the brunch and tour.

Please also plan to participate in one of a number of activities on Saturday afternoon as listed inside this brochure. These events are no-host and include a Husky football game or a tour of the newly renovated Seattle Art Museum.

Please plan to attend this special weekend and celebrate Children's past, present and future together with your colleagues.
