Dear Prospective Volunteer,

Thank you for applying to volunteer at the 2011 Seattle Children's Stanley Stamm Summer Camp.

Seattle Children's volunteers are special to us. We appreciate your wanting to share your time and experience with our patients and we know you are committed to safeguarding our patients.

Chapter 486, Laws of Washington 1987, requires background checks on all people who volunteer to work with children and developmentally disabled people. To be considered for a volunteer assignment you must complete the attached **Volunteer Disclosure Statement** and **the Washington State Patrol Form** and return in enclosed envelope. A background inquiry will be made to the Washington State Patrol or to other state or federal law enforcement agencies. Any information resulting from those inquiries will be held in confidence and used only for the purpose of determining your involvement as a volunteer.

You will receive your Stanley Stamm Summer Camp volunteer assignment and detailed information pending clearance.

Thank you for taking the time to complete this.

Sincerely,

Michele Rebert
Camp Coordinator
