

Seattle Children's Outreach Education and
Development of Nurses Shared Governance House-Wide Committee

Pediatric Certification Review Course

October 10, 2018
8:00 am to 4:30 pm

Wright Auditorium
Seattle Children's Hospital
4800 Sand Point Way NE
Seattle, WA 98105

Course Overview

This eight-hour class is intended to be a resource for nurses preparing to take the PNCB or ANCC pediatric nursing certification exam (CPN or RN-BC). The course will provide an overview of content specific to pediatric nursing, including growth and development, health promotion and disease prevention, as well as illness management for chronic and acute conditions.

Course Content

Nuts and Bolts of Pediatric Certification
Infectious Diseases
Growth and Development
Neurological Conditions

Respiratory Conditions
Gastrointestinal Conditions
Endocrine Disorders
Cardiovascular Conditions

Course Objectives

At the completion of this course, participants will be able to:

- ❖ Describe the two nursing organizations that offer certification exams.
- ❖ Identify the stages of growth and development.
- ❖ Discuss pediatric infectious diseases, neurological, respiratory, digestive, endocrine and cardiac conditions.
