

Potty Training

Class information:

This class helps prepare parents and caregivers of toddlers (ages 12 to 30 months) for potty training your child. You will learn the physical, intellectual, psychological, emotional and social signs of readiness for your child to succeed at using the toilet. Also learn tips, such as what kind of potty chair is best, how to encourage your child and how to handle setbacks. There will be time for questions and answers.

The class is taught by Ginger Thomas, RN, of Seattle Children's Urology Clinic. For more information about our classes, please visit www.seattlechildrens.org/classes.

Class details:

Dates & Room: Sunday, Jan. 25, 2009, in Wright Auditorium

Place: Seattle Children's Hospital
4800 Sand Point Way N.E.
Seattle, WA 98105-0371
For driving directions, call 206-987-2226 (accessible 24/7—recorded).

Parking: Park for free in the Giraffe parking lot (first parking garage to your left as you drive up Penny Lane). Enter the hospital through the Giraffe entrance, located straight across from the parking garage. Follow the hallway past the giraffe statues. Wright Auditorium is on the left.

Time: 10 a.m. to 12 p.m.

Fee: Free

Registration: Visit www.seattlechildrens.org/classes to register. If you do not have access to the Internet or have additional questions, please call 206-987-2486.
