

Buckle Up! Your Bundles of Love

Infant car seat class for parents

Child passenger safety experts will teach you about infant car seat safety and answer all of your child passenger safety questions.

Come Learn:

- How to properly restrain your baby's car seat in a vehicle.
- How to select the best and safest car seat for your vehicle, child and personal needs.
- How to avoid common missues.
- How to properly secure your baby in a car seat.
- What after-market products are and if they're useful and safe.
