Good View

Protect

Lap

Law

Safe

Seat Belt

Shoulder

Did you know that booster seats are for big kids? Did you know that it's the law to use a booster seat? Booster seats help the lap and shoulder belt fit right. They help you stay safe and protect you in the car. And they help you get a good view out the window. Children need to ride in a booster seat until they are at least 4 feet, 9 inches tall, about 80 pounds and 8 years old. To learn more about booster seats, visit www.boosterseat.org or call 1-800-BUCKL-UP.
