

## Financial Agreement and Access

Money earned or collected through any or all guild or auxiliary activities in the name of Children's Hospital and Regional Medical Center belongs to the hospital and is used for uncompensated care or as *otherwise* designated by the guild or auxiliary special interest and MAY NOT be diverted or spent for any other purpose.

The Guild Association does not promote nor approve of guild project revenues being deposited into an interest bearing account such as a money market account or certificate of deposit.

It is the policy of the Guild Association that all guild revenue, less start-up funds, must be turned over within 90 days of the guild's event

The Guild Association shall have full and unfettered access to any and all banking and financial information of any or all guild or auxiliary.

Upon request, the identified guild or auxiliary shall promptly deliver its banking and financial records to the Guild Association. Furthermore, the Guild Association is granted by any or all guild or auxiliary authority to access any or all guild or auxiliary financial records directly from any banking institution or member of the identified guild or auxiliary as deemed necessary by the Guild Association in its sole discretion.
