Suicide Prevention Course

January 22, 2018 May 23, 2018
March 16, 2018 July 11, 2018
November 12, 2018

8:00 am to 3:30 pm

Wright Auditorium
Seattle Children's Hospital
4800 Sand Point Way NE
Seattle, WA 98105

Seattle Children's is listed on the State of Washington's 2017 Model List as an approved Suicide Prevention training program for health professionals.

Course Overview

The purpose of this course is to provide health professionals information about the complex nature of suicide, how to assess, determine risks, and the appropriate treatment and management for at-risk patients both in the healthcare setting and the community. This 6 (six) hour class meets the requirements for the State of Washington mandatory suicide prevention training for health professionals and will include the special needs of the pediatric population.

Who Should Attend: ([Link to DOH Suicide Prevention Training for Health Professionals](#)). For training requirements for your health profession, contact the program manager or executive director of your profession's board or commission.

- Registered Nurses (inpatient, outpatient, public health, school nurses, etc.)
- Advanced Registered Nurse Practitioners
- Licensed Practical Nurses
- Physicians and Physician Assistants

Course Content

- Introduction, Research/Statistics, Definitions, Cultural Considerations
- Suicide Assessment Including Practice and Documentation

Suicide Prevention Course

January 22, 2018 May 23, 2018
March 16, 2018 July 11, 2018
November 12, 2018

8:00 am to 3:30 pm

Wright Auditorium
Seattle Children's Hospital
4800 Sand Point Way NE
Seattle, WA 98105

Seattle Children's is listed on the State of Washington's 2017 Model List as an approved Suicide Prevention training program for health professionals.

Course Objectives

At the completion of this course, participants will be able to:

- ❖ Describe the risks of suicide
- ❖ Discuss assessment tools/management/treatment of suicide
- ❖ Apply suicide risk assessments to case scenarios
- ❖ Describe veterans and suicide risk

Criteria for Successful Completion of Continuing Nursing Education Program

Participant will:

- ❖ Per Continuing Nursing Education Program requirements, **arrive no later than 10 minutes after course start time and attend the entire course. If you are late you will not be able to sign in and receive CNE credit for participation.** The CNE certificate is proof for the Nursing Care Quality Assurance Commission of passing the 6 hour required training. If you are unable to sign in within the allotted time, **we strongly recommend you reschedule to a later date.** We understand that transportation and parking can be challenging, so please plan accordingly.
- ❖ Sign or initial attendance sheet (WA RN License or SCH employee number required for nurse)
- ❖ Attend the entire presentation and complete the evaluation
