

Citrix Application Launch Fix For Internet Explorer 9

Add <https://desktops.seattlechildrens.org/> to the Trusted sites zone:

Click on **Gear** icon, select **Internet options**.

Click **Security Tab**. Click **Trusted Sites** icon. Click **Sites** button.
Click **Add** to add <https://desktops.seattlechildrens.org/> to Trusted sites.

Restart Internet Explorer 9 and log back into the portal for the settings to take effect.
