

APPENDIX II:

Community providers with admitting privileges who bill professional charges for services provided at Seattle Children’s from their own office, and who do not grant financial assistance commensurate with Seattle Children’s determinations to their own bills, are listed below.

A provider with an asterisk is one who both works for or is contracted with Children’s and who also refers patients from their community practice to have services at Children’s. Financial Assistance is granted only when seeing patients as an employee or contractor for Children’s.

This list is subject to change quarterly, and is updated on www.seattlechildrens.org.
