

<h2>WHO</h2>	<p>Should be referred to the Nutrition Clinic?</p>	<p>We see patients ages birth to 21 years for the following conditions: poor weight gain, picky eating, energy-deficit (not eating disorder), food allergies with appropriate lab tests, fructose intolerance with appropriate lab tests, sports nutrition, tube feeding, vegetarianism and low weight due to ADD medications.</p>
<h2>WHAT</h2>	<p>Work-up is needed prior to the first appointment?</p>	<p>The following records are necessary for an optimal nutrition visit: the reason for the referral, growth charts from birth to present or detailed growth history, and skin test or RAST test with MD interpretation of the allergy testing results with recommendations if you are requesting food allergy education for your patient. Please send these and any other relevant medical records or labs to 206-985-3121.</p>
<h2>WHEN</h2>	<p>Will my patient be able to obtain an appointment?</p>	<p>Your patient will be seen in 1-2 weeks or at our next available appointment.</p>
<h2>WHICH</h2>	<p>Provider will my patient see at the first appointment?</p>	<p>Your child will be seen as quickly as possible with the provider on the specialty team who is the best match for managing the current problem. To meet the Nutrition Care Team CLICK HERE.</p>
<h2>WHERE</h2>	<p>Will my patient be seen?</p>	<p>Nutrition Clinics are held in Seattle and Bellevue. For maps and directions CLICK HERE.</p>
