

WHO	Should be referred to the Otolaryngology Clinic?	We see patients ages 0 to 21 for the following conditions: ciliary dyskinesia, cough, epistaxis, ear infections, documented hearing loss, microtia, hoarseness, laryngomalacia (infantile stridor), neck mass, nasal fracture, otitis, tonsils, adenoids, rhinorrhea/congestion, sinusitis, velopharyngeal insufficiency, vertigo and dizziness. We do not see patients for allergic rhinitis or nasal allergies. We also offer the following services: ear splinting or ear molding and otoplasty.
WHAT	Work-up is needed prior to the first appointment?	No pre-referral work-up is required for most conditions. If you have already done a work-up or you have audiology records from another facility, please fax your information to 206-985-3121.
WHICH	Provider will my patient see at the first appointment?	Your child will be seen as quickly as possible with the provider on the specialty team who is the best match for managing the current problem. To meet the Otolaryngology team CLICK HERE .
WHERE	Will my patient be seen?	Otolaryngology Clinics are held in Seattle and Bellevue. For maps and directions to Seattle and Bellevue CLICK HERE .
