

WHO	Should be referred to the Pain Medicine Clinic?	We see patients ages 0-18 years of age. We may make exceptions for established SCH patients who are older than 18. We partner with patients and families for the following conditions: musculoskeletal pain, abdominal pain, headache, neuropathic pain, pelvic pain, back pain, chest pain, facial pain, disease process or side effects of treatment.
WHAT	Work-up is needed prior to the first appointment?	No pre-referral work-up is required. If you have already done a work-up or the patient has been seen by other subspecialists, please fax your information to 206-985-3121.
WHICH	Provider will my patient see at the first appointment?	Patients are seen by an interdisciplinary team of pain specialists, including a physician, psychologist, rehabilitation specialist, and a nurse. To meet the Pain Medicine team CLICK HERE .
WHERE	Will my patient be seen?	Patient appointments for initial evaluations are scheduled in Seattle and Bellevue. Follow-up visits may be conducted via telemedicine in regional sites. For maps and directions CLICK HERE .
