Pediatric Specialty Care — Closer to Home

Consistently ranked as one of the best children's hospitals in the country, Seattle Children's Hospital has been delivering superior patient care for over 100 years. Our experts welcome the chance to work with your family closer to your home. Seattle Children's Federal Way Clinic serves children and their families in South King and North Pierce counties. Our care is provided by the same doctors and nurses who take care of children and adolescents at our main campus in Seattle.
