# GENERAL INFORMATION

## Course Description

This course is designed to improve your clinical practice by providing diagnostic and management updates to address gaps in practice encountered in primary care of children. The curriculum includes lectures and workshops with an opportunity to discuss issues with clinical experts.

## Who Should Attend

- Pediatricians
- Family Physicians
- Physician Assistants
- Emergency Room Physicians
- Nurse Practitioners
- School Nurses

## Course Location

Seattle Children's - Wright Auditorium  
4800 Sand Point Way NE  
Seattle, WA 98105

Map & directions will accompany your confirmation letter.

## Course Objectives:

Participants will be able to:

- assess and utilize best practices for managing influenza in the office setting;
- appraise the impact of managing children with diabetes in a primary care office setting;
- differentiate and formulate approaches to diagnosis and management of sleep apnea;
- build a system for consistent and accurate diagnosis and management of aches and pains; and
- evaluate language development and formulate appropriate strategies for parents of toddlers concerned that their child does not speak.

## Course Direction

### **Thomas W. Pendergrass, MD, MSPH**

Professor of Pediatrics, Hematology/Oncology;  
Vice Chair for Education, University of Washington  
Director, Medical Education, Seattle Children's

### **Kathie Kohorn, MA**

Coordinator, Continuing Medical Education, Seattle Children's

## Accreditation

Seattle Children's is accredited by the Washington State Medical Association CME Accreditation Committee to sponsor continuing medical education for physicians.

Seattle Children's designates this educational activity for a maximum of 6.75 hours in Category I to satisfy the re-licensure of the Washington State Medical Quality Assurance Commission.

Seattle Children's designates this education activity for a maximum of *6.75 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.
