# GENERAL INFORMATION

## Course Description

This course is designed to improve your clinical practice by providing diagnostic and management updates to address gaps in practice encountered in primary care of children. The curriculum includes lectures and workshops with an opportunity to discuss issues with clinical experts.

## Who Should Attend

- Pediatricians
- Family Physicians
- Physician Assistants
- Nurses
- Nurse Practitioners
- School Nurses

## Course Location

Seattle Children's - Wright Auditorium  
4800 Sand Point Way NE  
Seattle, WA 98105  
Map & directions will accompany your confirmation letter.

## Course Objectives:

Participants will be able to:

- managing chronic inflammatory skin diseases in the office setting;
- diagnosing and managing acute appendicitis in the office setting;
- diagnosing and managing concussion in clinical practice;
- managing UTI's using a standard approach; and
- immunization recommendations in the office setting.

## Course Direction

### **Thomas W. Pendergrass, MD, MSPH**

Professor of Pediatrics, Hematology/Oncology;  
Vice Chair for Education, University of Washington  
Director, Medical Education, Seattle Children's

### **Kathie Kohorn, MA**
