Dear Prospective Camp Volunteer,

2011 marks the 45th anniversary of Seattle Children's Stanley Stamm Summer Camp! This special camp is a one-week-long outdoor program for children age 6 to 14 who have been patients at Seattle Children's Hospital and who have medical needs that do not allow them to participate in other camp programs. Campers are provided around-the-clock medical supervision at the overnight camp. The theme for 2011 is "Up"!

Stanley Stamm Summer Camp is held at Sunset Lake Youth Camp in Wilkeson, Washington, at the base of Mount Rainier. Staff camp dates are Sunday, August 14–19, 2011.

Children's sponsors the Stanley Stamm Summer Camp with the support of individuals and organizations who contribute their time and money to make camp possible. Last year over 250 volunteers donated more than 15,000 hours to make the camp program a success!

Stanley Stamm Summer Camp offers its volunteers an incredible camp experience and the opportunity to work with a fantastic professional team. All lodging and meals throughout the week are provided in true "camp" fashion. In addition, you will receive an official Stamm Camp T-shirt.

Thank you for your interest in volunteering at the Stanley Stamm Summer Camp!

Attached you will find the Camp Volunteer Job Description and Application. Please read both carefully and complete all information requested. A completed volunteer staff application, Volunteer Disclosure Statement and Washington State Patrol form must be submitted no later than May 1, 2011 to:
