

System Requirements for StudyManager

Item	Required	Notes
Operating system	Windows 2000, Windows XP, Windows 98, Windows NT, or Windows ME	Windows XP is better supported by Microsoft for security updates. Older OS versions like Windows 98, Windows NT, Windows ME, and Windows 2000 do not provide the same level of security and reliability. However, these older OS versions can run StudyManager.
Web browser	Internet Explorer 5.5 or greater	
PDF Reader	Adobe Acrobat Reader	
Monitor / resolution	15+ inch monitor, or larger, running at 1024x768, or higher, screen resolution	StudyManager is designed to run with Windows Font Size set to Normal. StudyManager may not display information properly on monitors with Large Fonts enabled.
Hard drive space	N/A	No additional hard drive space is required beyond that needed for Windows and Internet Explorer.
Internet connection	128 Kbps or faster	Broadband Internet connections such as DSL, cable modem, T1, and frame relay can significantly enhance performance and are highly recommended. Using a dial-up connection is not recommended.
