

Urgent care. Minus the traffic jams.

Year after year, Seattle Children's is recognized as the region's top pediatric medical center. Our Bellevue Clinic and Surgery Center brings this renowned care to the Eastside—from the same doctors and nurses who care for kids and teens at our Seattle hospital. Whether it's a sports injury, the flu, or ongoing treatment of a chronic illness, you can count on the expertise and compassion of Seattle Children's, without having to endure Seattle traffic.
