GENERAL INFORMATION

Course Description

This one-day course is designed to provide up-to-date information along with practical evaluation and management strategies for children who present in the primary care setting with urgent problems. The curriculum includes lectures and hands-on interactive workshops with an opportunity to discuss issues with emergency room experts.

Who Should Attend

- Pediatricians
- Family Physicians
- Physician Assistants
- Allied Health Professionals
- Emergency Physicians
- Nurse Practitioners
- School Nurses
- Emergency Nurses

Course Location

Seattle Children's - Wright Auditorium
4800 Sand Point Way NE
Seattle, WA 98105
(Parking is free - see map enclosed with registration confirmation letter)

Course Objectives

Participants will be able to:

- visually diagnosis infants;
- evaluate and manage asthma;
- optimize care for patients in unexpected circumstances;
- build skills in splinting and x-ray interpretation of fractures; and
- assess how adolescents think re: managing illness, injury and behavior.

Course Direction

- Eileen Klein, MD, MPH – Co-Chair
- Richard Shugerman, MD – Co-Chair
- Julie Brown, MD, MPH
- Dena Brownstein, MD
- Stephen Cico, MD
- Brianna Enriquez, MD
- Russ Migita, MD
- Suzan Mazor, MD
- Carolyn Paris, MD, MPH
- Tony Woodward, MD, MBA
- Kathie Kohorn, CME Program Manager

FACULTY

Guest Faculty

M. Douglas Baker, MD, Professor of Pediatrics, Johns Hopkins University, School of Medicine; Vice Chair for Community Outreach, Department of Pediatrics and Director of Emergency Medicine, John Hopkins Children's Center.

Dr. Baker has been recognized as a leader in the field of pediatric emergency medicine, and internationally for his research on the management of fever in infants. He has held leadership roles in the American Academy of Pediatrics and the Ambulatory Pediatric Association, among other organizations, and has received numerous awards, including for six consecutive years the Jean A. Cortner Divisional Teaching Award for Excellence at Children's Hospital of Philadelphia. Previously, Dr. Baker served as director of medical services and chief of pediatric emergency medicine at the University of Texas Southwestern Medical Center, and as chief of pediatric emergency medicine at Yale-New Haven Children's Hospital.
