## Parking Policies

- **Pay-per-use parking rates that differ by time of day**– Depending on your worksite, parking will cost between \$2 and \$15 per day. Daily parking costs allow flexibility in how you get to work each day.
- **Free vanpool parking and premium carpool parking** save you money and grant you access to onsite parking.
- **Offsite parking** for many hospital campus workforce members, with frequent shuttles to the hospital, allows us to preserve our limited on-campus parking for patients and families.

To build more clinical space, the City of Seattle requires that Children's reduce the percentage of drive alone commute trips made by our workforce to just 30% of all trips by 2030.
