OUR HISTORY

Since 1907, Seattle Children’s has cared for our youth. Here’s a snapshot of how we’ve grown:

- **1907**: Anna Clise files articles of incorporation for the Children’s Orthopedic Hospital Association and starts planning the first facility in Seattle’s Queen Anne neighborhood
- **1946**: New hospital wing opens with 193 beds and specialty and outpatient clinics to accommodate 100,000+ patient visits per year
- **1970**: Odetta Brown Children’s Clinic opens on Yesler Way in Seattle, incorporating all aspects of children’s health
- **1977**: A 65,000 sq. ft. medical pavilion opens at the main hospital campus
- **1990**: Odessa Brown Children’s Clinic opens on Yesler Way in Seattle, incorporating all aspects of children’s health
- **1990**: 100,000 sq. ft. Janet Sinegal Patient Care building opens, adding 42 beds for a total of 250. Children’s opens research lab in downtown Seattle, increasing the focus on research
- **1995**: 79,000 sq. ft. Bellevue Clinic and Surgery Center opens
- **2004**: 168,000 sq. ft. Melinda French Gates Ambulatory Care Building opens. Children’s acquires research facility at 9th and Stewart in Seattle; neighboring facility is purchased in 2007
- **2006**: Building Hope Forest zone opens, adding 330,000 sq. ft. of space, 80 new cancer and critical care beds, and a new Emergency Department
- **2010**: 32,000 sq. ft. South Clinic opens in Federal Way, WA
- **2010**: Started construction of a 540,000 sq. ft. research institute building in downtown Seattle
- **2013**: 2013: 37,000 sq. ft. North Clinic opens in Everett, WA
- **2017**: 2017: 310,000 sq. ft. addition to the main hospital campus
- **2018**: 2018: Broke ground on a 310,000 sq. ft. addition to the main hospital campus
- **2019**: 2019: Building Cure in downtown Seattle, adding an extra 540,000 sq. ft. of research space, 380,000 of which is dedicated lab space
- **2021**: 2021: Broke ground on the new 35,000 sq. ft. Odessa Brown Children’s Clinic in South Seattle’s unique urban concept community, called Othello Square
- **2022**: 2022: Took full occupancy of the Sand Point Learning Center, adding 50,000 sq. ft. of classroom and meeting space
- **2023**: 2023: Opening of Building Cure in downtown Seattle, adding an extra 540,000 sq. ft. of research space, 380,000 of which is dedicated lab space

OUR MISSION

We provide hope, care, and cures to help every child live the healthiest and most fulfilling life possible.

OUR VISION

Seattle Children’s will be an innovative leader in pediatric health and wellness through our unsurpassed quality, clinical care, relentless spirit of inquiry, and compassion for children and their families. Our founding promise to the community is as valid today as it was over a century ago. We will care for all children in our region, regardless of their family’s ability to pay.

OUR VALUES

- **Compassion**
- **Equity**
- **Integrity**
- **Collaboration**
- **Excellence**
- **Innovation**

WE WILL:

- Practice the safest, most ethical and effective medical care possible.
- Discover new treatments and cures through breakthrough research.
- Promote healthy communities while reducing health disparities.
- Empower our team members to reach their highest potential in a respectful work environment.
- Educate and inspire the next generation of faculty, staff and leaders.
- Build on a culture of philanthropy for patient care and research.
