Since 1907, Seattle Children's has cared for our youth. Here's a snapshot of how we've grown:

1907 - Anna Clise files articles of incorporation for the Children's Orthopedic Hospital Association and starts planning the first facility in Seattle's Queen Anne neighborhood.

1919 - New hospital wing opens with 193 beds and specialty and outpatient clinics to accommodate 100,000+ patient visits per year.

1920 - Odessa Brown Children's Clinic opens.

1946 - A 65,000 sq. ft. medical pavilion opens.

2004 - 168,000 sq. ft. Melinda French Gates Ambulatory Care Building opens. Children's acquires research facility at 9th and Stewart in Seattle; neighboring facility is purchased in 2007.

2010 - Building Hope Forest zone opens, adding 330,000 sq. ft. of space, 80 new cancer and critical care beds, and a new Emergency Department.

2013 - 32,000 sq. ft. South Clinic opens in Federal Way, WA.

2015 - Started construction of a 540,000 sq. ft. research institute building in downtown Seattle.

2016 - Broke ground on a 310,000 sq. ft. addition to the main hospital campus.

2017 - 37,000 sq. ft. North Clinic opens in Everett, WA.

2018 - Board votes to acquire land in Laurelhurst to construct a new 170-bed pediatric hospital.

1977 - Odessa Brown Children's Clinic opens.

1979 - 79,000 sq. ft. Bellevue Clinic and Surgery Center opens.

2006 - 100,000 sq. ft. Janet Sinegal Patient Care building opens, adding 42 beds for a total of 250. Children's opens research lab in downtown Seattle, increasing the focus on research.

2010 - 2004 - 37,000 sq. ft. 3rd Clinic opens in Everett, WA.

2013 - 100,000 sq. ft. Janet Sinegal Patient Care building opens, adding 42 beds for a total of 250. Children's opens research lab in downtown Seattle, increasing the focus on research.

2015 - Started construction of a 540,000 sq. ft. research institute building in downtown Seattle.

2016 - Broke ground on a 310,000 sq. ft. addition to the main hospital campus.

2017 - 37,000 sq. ft. North Clinic opens in Everett, WA.

2018 - Board votes to acquire land in Laurelhurst to construct a new 170-bed pediatric hospital.
