OUR HISTORY
Since 1907, Seattle Children’s has cared for our youth. Here’s a snapshot of how we’ve grown:

Board votes to acquire land in Laurelhurst to construct a new 170-bed pediatric hospital.

1907

New hospital wing opens with 193 beds and specialty and outpatient clinics to accommodate 100,000+ patient visits per year.

1946

A 65,000 sq. ft. medical pavilion opens.

1977

100,000 sq. ft. Janet Sinegal Patient Care building opens, adding 42 beds for a total of 250. Children’s opens research lab in downtown Seattle, increasing the focus on research.

2004

An 82,000 sq. ft. Bellevue Clinic and Surgery Center opens.

2006

Building Hope Forest zone opens, adding 330,000 sq. ft. of space, 80 new cancer and critical care beds, and a new Emergency Department.

2010

32,000 sq. ft. South Clinic opens in Federal Way, WA.

2013

37,000 sq. ft. North Clinic opens in Everett, WA.

2015

Broke ground on a 310,000 sq. ft. addition to the main hospital campus.

2017

100,000 sq. ft. Janet Sinegal Patient Care building opens.

2018
