Attendance & Registration Policies

As a participant or guardian of a participant at the Seattle Children's Alyssa Burnett Center, I agree to the following terms and policies. Alyssa Burnett Center (ABC) staff reserves the right to temporarily suspend enrollment or alter registration at any time.

Registration:

All participants who are enrolled at the ABC must complete the intake form, provide additional paperwork (if requested), and upon staff screening for program eligibility, will be asked to schedule an intake appointment. Post intake appointment, participants will receive confirmation from staff on class registration and enrollment prior to attending classes.

Upon completing the intake appointment, families have six months to enroll their participant for their initial quarter of classes before you will be asked to complete an additional layer of the intake process. After six months of no involvement in classes or activities, families will be required to provide updated paperwork, including new intake form fields, PCSP/IEP, Behavior Plans and required to complete an additional intake appointment for staff to re-asses/re-evaluate needs and placement.

All participants (and families/guardians of) must fully disclose the information requested on the intake form and be forthcoming with all current and past behaviors. Additional paperwork, assessments and reports may be requested by ABC staff prior to or throughout enrollment. The ABC welcomes adults with challenging behaviors (current or past), however families must fully disclose all requested information. If we discover a family does not adhere to our request for full-disclosure, we reserve the right to suspend or terminate enrollment.

ABC reserves the right to decline or defer enrollment based on the following circumstances: participant does not meet eligibility criteria, insufficient staffing to accommodate, no vacancies in classes, or extreme challenging behaviors we deem unsafe for the recreational setting.

We are unable to accommodate unexpected participants. Guests visiting classes must have prior approval. Participants must be 18 or older to attend classes at the center. Participants may enroll in classes if they will be turning 18 years old within the quarter they begin attending classes.

ABC staff will determine class color placement for each participant and reserve the right to change color placement at any time.

The ABC requires a full-time 1:1 aide/caregiver for any participant who has the following needs: Medication management/distribution, toileting or personal care, or adults who demonstrate aggressive behaviors. At any point, ABC staff reserves the right to request a participant who demonstrates challenging behaviors, or need for higher levels of support, to start attending classes and activities with a 1:1 aide/caregiver. If a participant is attending classes with a 1:1 aide/caregiver, please refer to the *Caregiver Code of Conduct*.

By choosing to participate at the ABC, I understand the nature of the clientele served and that I/my adult participant may be exposed or affected by challenging behaviors which may include yelling, tantrums, and physical aggression. ABC staff maintains safety as the utmost concern at the center; however I understand I/my adult participant may be witness

to said behaviors. The ABC does not turn away individuals as a result of challenging behaviors, and values a community of acceptance and inclusion.

Registration will be done online, and participants must enroll for the entire quarter of classes.

Cancellation of Classes:

The first two weeks of the quarter are a grace period to dictate if classes are an appropriate fit, however past this period if for any reason the participant decides to drop the class, they will be responsible for paying the remaining balance for the quarter. If you/your participant begins taking classes during the middle of a quarter, this same grace period is offered. Classes attended during these two weeks will be billed to families for services rendered.

Private Pay Policies

Billing:

For private pay, families may choose to pay with a credit/debit card or by check. Credit/debit cards are the preferred form of payment. Families will be billed for classes by the quarter. The billing cycle will occur on the first day of the adult's first class. If paying with credit/debit card, the billing will occur automatically and will charge the card information entered for the participant upon registration for classes. If paying with check, families may remit a check for the full quarterly amount to the *Seattle Children's Hospital*, with *Alyssa Burnett Center* in the memo line, by mail or in person on or before the first day of classes.

Attendance:

Participation is extremely important to ensure that students are getting the full experience of the classes.

Summer Transition Program Excused Absences:

We can approve up to 5 families each Summer Quarter for transition program related absences. Early drop-offs/Late pick-ups:

We have a strict 15 minute drop-off and pick-up window for all classes and activities. If we observe ongoing trends for early arrival/late pick-up, additional fees may be incurred. We recognize that Access and DART may alter your drop-off/pick-up window, however families are responsible for scheduling the correct window.

Community Outings:

Upon registering for a community outing your request will be processed by our team. We aim to have equity in participation for these events and take into consideration opportunities for all students to participate. You will receive your registration status (confirmed or not-confirmed) two weeks prior to the outing to allow ample time to make additional plans. If there are any cancellations as the date nears, staff will email if there are additional spots available.

Unexcused Outing Absences:

If for any reason, you/your adult does not show up for a registered outing and we do not hear from you within 24 hours, you will be required to pay the out of pocket rate for the outing. Outings adhere to the same excused and unexcused policy above.

DDA Respite Policies

DDA General Billing Info:

Case managers will be billed monthly, using the hourly reimbursement rate for each class based on the quarter hour. If we continue to see trends of early arrivals, or late pick-ups that fall outside of our 15-minute window, you will be notified. In some situations, we will begin to bill DDA units for this additional time in which students are under staff supervision.

To provide more consistency, we will be billing based on the scheduled class duration, including transition times between classes. We will bill for the entirety of the scheduled class length, regardless of each participants actual time in class.

DDA PCSP Authorization for Release:

As a family opting to use DDA Respite Hours you must complete an authorization for release of information from your case manager. This provides us with additional information which allows us to best serve each adult based on their unique strengths and needs.

DDA Cancellation Policy:

Through agreeing to use DDA Respite hours for classes and activities at the Burnett Center, you agree to the following terms and conditions.

It is the families' responsibility to manage available respite hours.

One-Time Events:
