The Incredible Years: A Troubleshooting Guide for Parents of Children Aged 2-8
Guidelines and strategies for parents to promote children's social and emotional competence. incredibleyears.com

The Difficult Child
Stanley Turecki and Leslie Tonner, 2012.
Offers compassionate and practical advice to parents of hard-to-raise children.

1-2-3 Magic: Effective Discipline for Children
This book offers a foolproof method of disciplining children ages 2 to 12 without arguing, yelling or spanking. With 3 easy-to-follow steps, parents learn to manage troublesome behavior, encourage good behavior, and strengthen the parent-child relationship.

How to Raise an Emotionally Intelligent Child
This book will equip parents with a five step “emotion coaching” process that teaches children how to be aware of, recognize, listen to and label their emotions. It will also teach them how to problem solve or deal with an upsetting situation.

SOS Help for Parents
Lynn Clark, 2005.
Provides easy-to-learn methods for helping children to improve their behavior and emotional adjustment.

No More Meltdowns
Offers strategies for preventing and managing meltdowns using a 4-step model to help manage your own emotions by adjusting your expectations, learn strategies to calm a meltdown in the moment, understand why a meltdown occurs, and create plans to prevent future meltdowns.

Parenting Your Out-of-Control Teenager: 7 Steps to Reestablish Authority and Reclaim Love
Scott Sells, 2002.
This guide offers seven steps to positive, permanent change for you and your teenager.

Books and Websites for Managing Disruptive Behaviors

**Taking Charge of ADHD**
Russell Barkley, 2013.
Includes information on medicines, new strategies for school success, a step-by-step plan for behavior management and more.

**Your Defiant Teen: 10 Steps to Resolve Conflict and Rebuild Your Relationship**
By following the authors’ clinically proven 10-step program, parents can reestablish their authority while also promoting teens’ growing independence. The book includes realistic examples of how to identify and enforce rules; use rewards and incentives that work; build trust; and communicate and problem-solve effectively, even in the heat of the moment.

**Your Defiant Child: 8 Steps to Better Behavior**
Discover a way to end constant power struggles with your defiant and oppositional, 5- to 12-year-old, with an approach that is research based, practical and leads to lasting behavior change.

**Videos**

**1-2-3 Magic**
This video is based on the 1-2-3 Magic book and includes a presentation by Dr. Phelan, real-life family stories and easy-to-learn techniques for managing difficult behaviors.

**Managing the Defiant Child**
This DVD shows clips from actual parent training sessions including the description of child management concepts and principles of managing defiant behavior. Dr. Barkley provides commentary on effective incentive systems for motivating children and the crucial role of parent training.

**The Kazdin Method for Parenting the Defiant Child (book and DVD)**

**Raising an Emotionally Intelligent Child**
John Gottman, 2005.
In this 90-minute live presentation, Dr. Gottman provides an overview of how to raise an emotionally intelligent child. Parents and caregivers will learn how to listen and verbalize a child’s feelings, label emotions in words a child can understand and help children problem-solve.
