

My Visit to the Audiology Clinic

Read the story with your child to learn about what will happen during their Audiology Clinic visit.

Today I will see an audiologist. The audiologist looks in my ears and has me listen to many sounds.

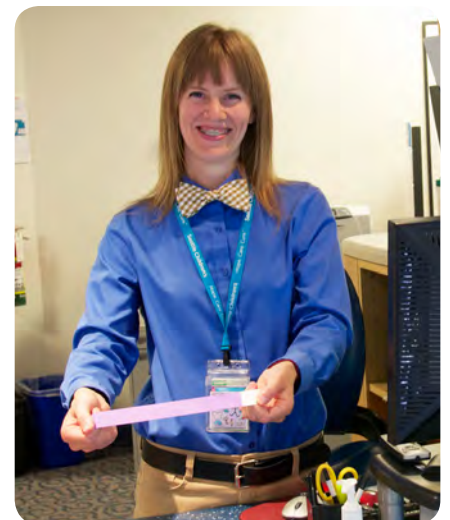

My family and I will walk from our car and enter the hospital.

We will walk into the hospital. My parents will get a sticker with their name and picture on it.

I will check in at the Mickey Mouse desk. I will get a purple bracelet with my name on it.

My Visit to the Audiology Clinic

I will sit in the waiting room and wait for the audiologist to call my name. When my name is called, my audiologist will meet me at the orange door.

I will walk with my audiologist down a long hallway.

I will walk through a door into a room that is quiet.

My Visit to the Audiology Clinic

I will sit in a chair and wait while my family talks to my audiologist.

My audiologist will say hi and then look in my ears.

I will wear an earphone in my ear and watch a computer draw pictures.

My Visit to the Audiology Clinic

I will go into a different room to get ready for a hearing game. I will wear earphones in my ears and listen for beeps.

I will play a hearing game with a new person. I will let the audiologist know when I hear different beeps.

After the hearing game, I will sit in a chair again and wait while my family talks to my audiologist.

My Visit to the Audiology Clinic

I did a great job at my hearing test and now it is time to leave! I will go through a door back to the waiting room.

I will walk by the fish tank and leave the hospital. Goodbye!
