# Applied Behavior Analysis (ABA) Medicaid Coverage Checklist

**1 Call your Medicaid insurance plan.**

This is known as a managed care organization (MCO). Find your MCO in the list below.

I need a case manager to help me get Applied Behavior Analysis (ABA) services for my child.

My child's name is:  
Their birthdate is:  
(or) Their Medicaid identification number is:

Which ABA providers are covered under my plan?

**2 Call the ABA providers who are covered on your plan.**

These providers are called "in-network."

Do you have an opening for my child? If not, can my child be put on a waitlist?

What are my next steps?

**3 Document your calls.**

Use the phone log on the next page to keep track of your calls with both Medicaid and the providers.

**4 Follow up regularly.**

Call your MCO case manager and the providers every two weeks to check in until your child is set up with an ABA program.

If your child has not started ABA within 4 to 5 months of contacting your MCO and the providers, call your provider at the Autism Center.

**5 Start ABA.**
