

# Cost Estimation Tool for MyChart Users

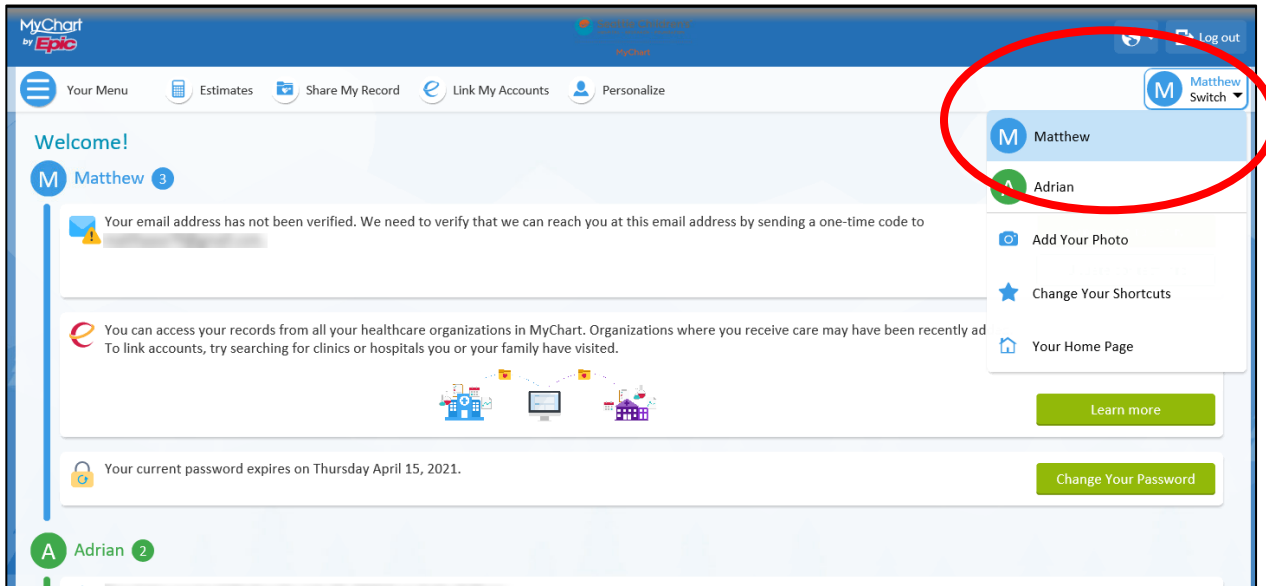

The cost estimation tool helps you estimate the cost of some of the services or procedures that are available at Settle Children's. It is not a guarantee of the final amount you may be billed, and it does not include all of the services or procedures that are available at Seattle Children's.

If the service you would like to estimate is not included on this tool, you can call our financial counselors at 206-987-3333 or email [financialcounseling@seattlechildrens.org](mailto:financialcounseling@seattlechildrens.org).

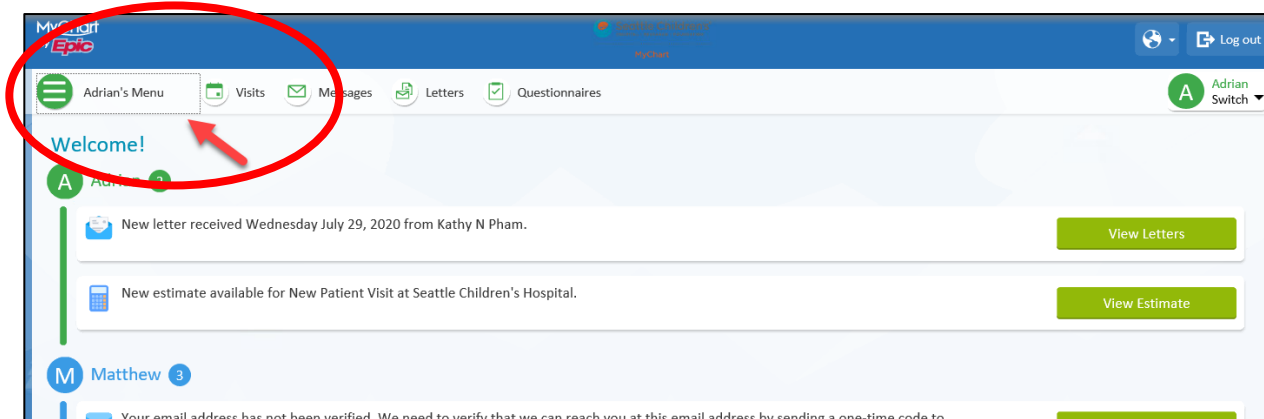

## How to use the tool

Follow these instructions, using the screenshots as guides. Some of the information displayed on your screen will be different based on your information and circumstances.

After logging into your MyChart account, use the menu on the top right corner to select the patient name.

Then, click on the patient's name on the top left corner to see the menu.

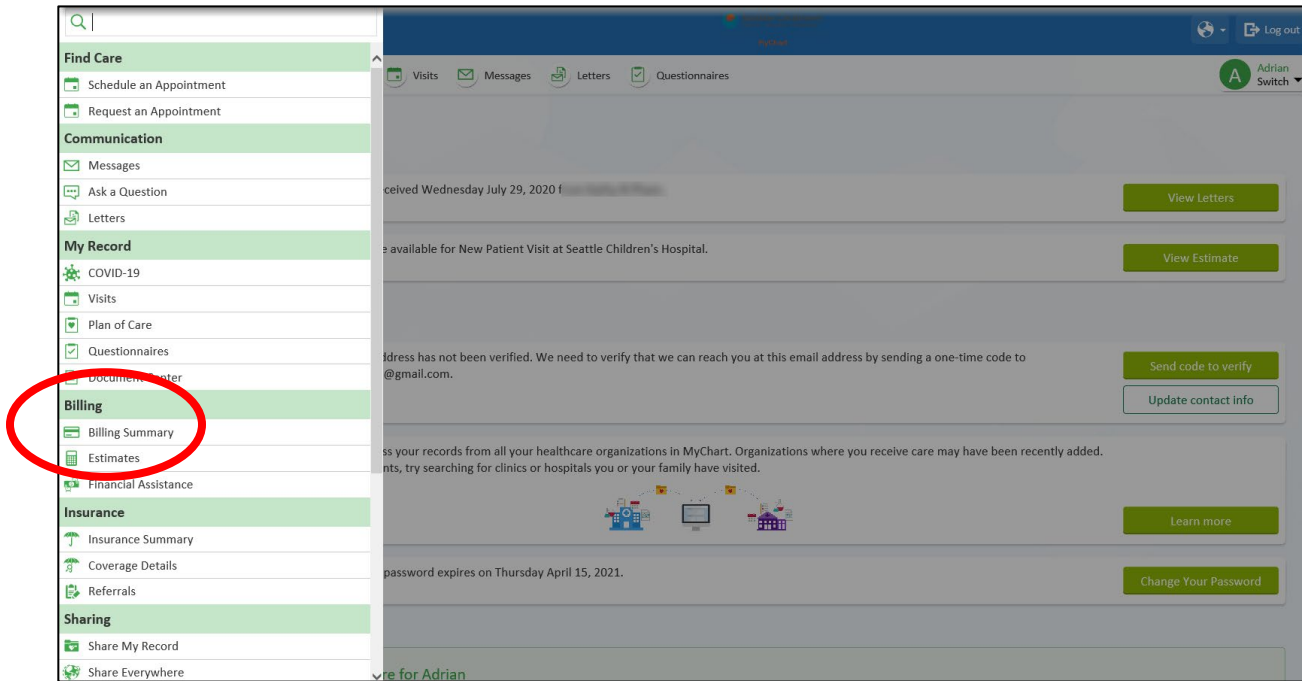

## Free Interpreter Services

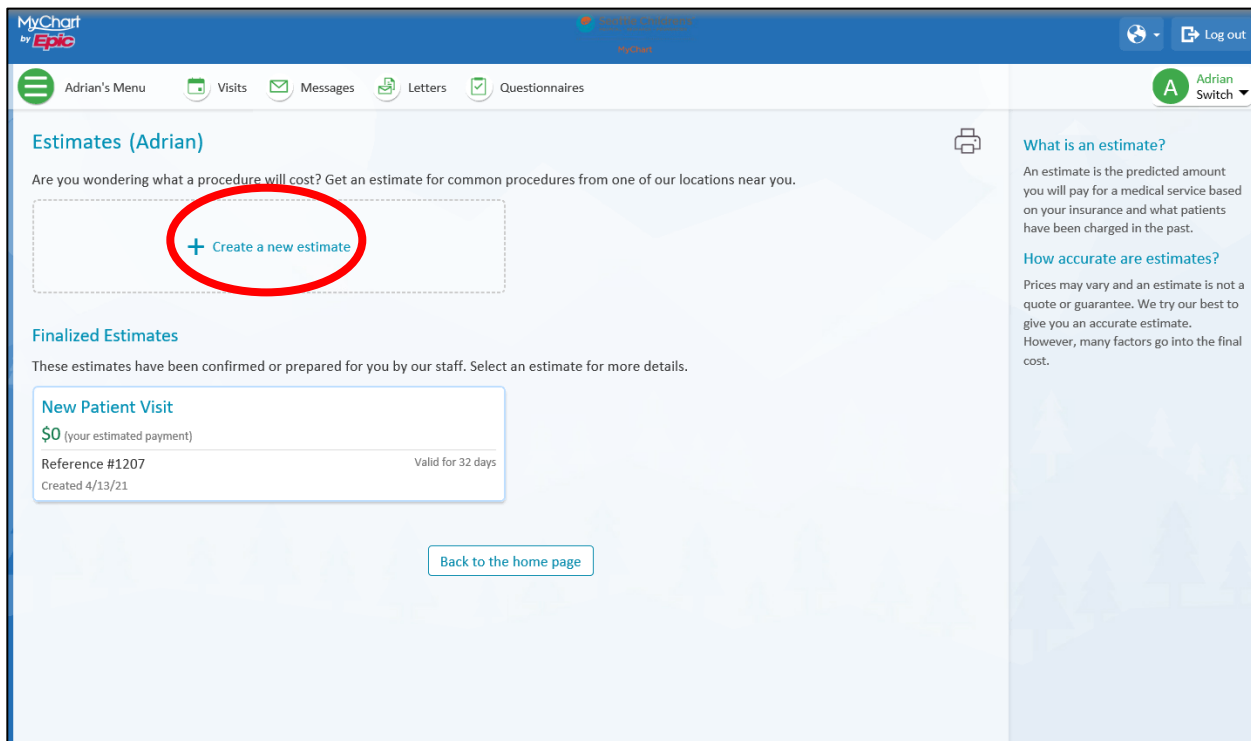

- In the hospital, ask your nurse.
- From outside the hospital, call the toll-free Family Interpreting Line, 1-866-583-1527. Tell the interpreter the name or extension you need.

# Cost Estimation Tool for MyChart Users

On the menu, under the section “Billing,” click on “Estimates.”

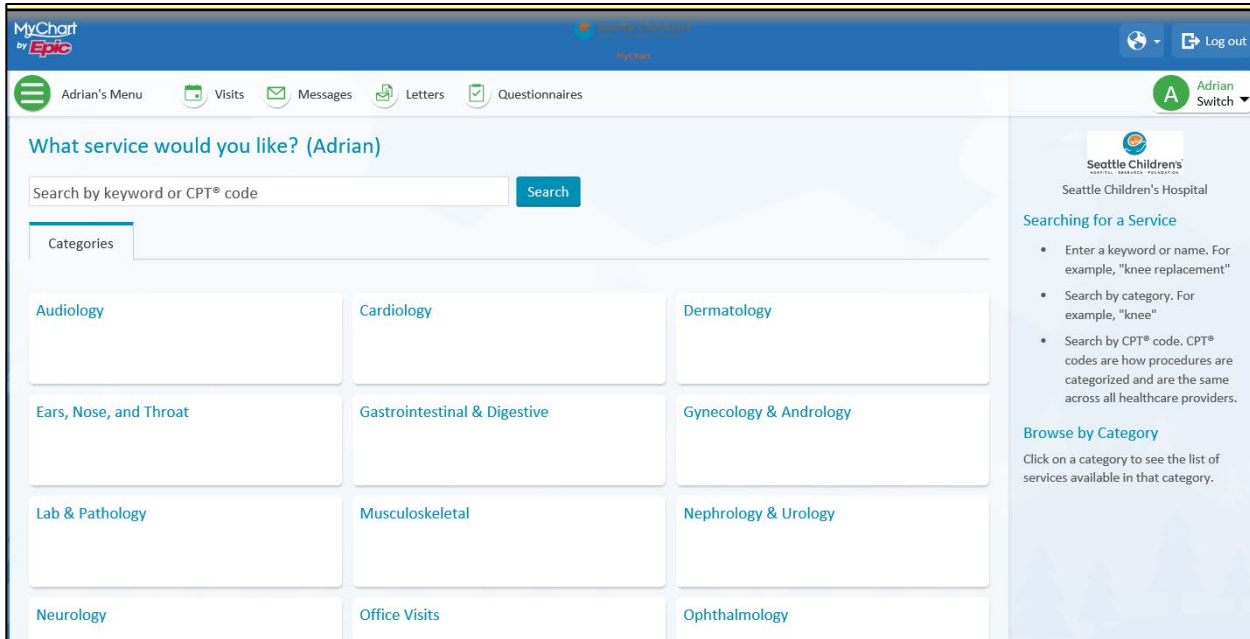

Click on the button “Create a new estimate.”

**Disclaimer**

I acknowledge this is just an estimate of what I may be responsible to pay for receiving services at Seattle Children's and it is not a guarantee of the final amount I may be responsible for. I understand this estimate is based on the information provided by me and/or my insurance company on the date and time the estimate was created. This estimate only uses information from my primary insurance plan. This estimated amount could change if I have additional insurance coverage, including whether I am eligible for financial assistance. This estimate does not know about the rules and policies my insurance plan may have about what they will pay for and what first may be required. The actual price I pay may be higher or lower than this estimate based on what care is needed and provided, and how my insurance plan processes the charges.

Not all services offered by Seattle Children's Hospital are available in this estimate tool. Our future goal is to add more services which are scheduled in advance. For estimates on services not available on this tool, or for additional questions, please contact our financial counselors at 206-987-3333 or at [financialcounseling@seattlechildrens.org](mailto:financialcounseling@seattlechildrens.org).

If you would like to save this estimate in your MyChart account, you must first read the disclaimer and click on the button to accept it.
