Material:
- Please select Infant appropriate bright, uplifting solid colors and patterns. Flowers, animals, shapes. No dark colors or patterns for older children.
- It would be great if sets could include a mix of solid colors and matching patterns
- 1 or 2 Pre-washed pieces of flannel
- Matching Thread
- Sewing machine or by hand
- No seams or ties in the center of material

1. Cut and trim the two fabric sheets into selected sizes.
2. Find a flat round object to use as a template and curve the corner of the blanket.
3. Place the sides of the fabric which you want outside when finished facing each other (ie sifter side, patterned, brighter) and sew a normal stitch ¼ of an inch from the edge leaving a 5” gap one side to turn the blanket right side out. Cut small strips up to the thread on each corner.
4. Turn the blanket inside out, pushing the corners out and flat.
5. Seam the 5” gap closed
6. Using a zig-zag or decorative stitch, sew all around the perimeter of the blanket.
