

Autism 200 Series

Autism 200 is a series of 90-minute classes for parents and caregivers of children with autism who wish to better understand this disorder. Faculty from Seattle Children's, the University of Washington and community providers teach the classes. Each class includes time for questions.

Classes are held the third Thursday of the month at Seattle Children's Hospital from 7 to 8:30 p.m. in Wright Auditorium. Parking in visitor lots. Lectures are available to be viewed at home on a PC or mobile device through Facebook Live. Lectures are also recorded and can be viewed on our website following the lecture. For information related to **viewing at home** or to **view past lectures**, please visit our website:
