11th Annual Ron Lemire Northwest Symposium On Contemporary Pediatric Critical Care

Point of Care Ultrasound:
The New Stethoscope for the Critical Care Practitioner

Friday, October 26, 2018
Seattle Children’s Wright Auditorium

Presented by:
Seattle Children’s Hospital Division of Pediatric Critical Care Medicine
University of Washington Department of Pediatrics
WHO SHOULD ATTEND
We invite all providers involved in the care of critically ill children including nurses, respiratory therapists, advanced practice providers, and physicians who wish to gain understanding about point of care ultrasound and its use in pediatric critical care.

COURSE OBJECTIVE
This multi-disciplinary symposium seeks to provide education in the benefits of point of care ultrasound (POCUS) for management of critically ill children. Facilitated practical stations will introduce basic ultrasound skills.

COURSE LOCATION
Seattle Children’s Hospital, Wright Auditorium
(3rd Floor, River Entrance)
4800 Sand Point Way NE
Seattle, WA 98105
