**Course Description**

This one-day course is designed to provide up-to-date information along with practical evaluation and management strategies for children who present to the primary care setting with urgent problems. The curriculum includes lectures and interactive workshops with an opportunity to discuss issues with emergency medicine experts.

**Who Should Attend**
- Pediatricians
- Family Physicians
- Urgent Care Physicians
- Nurses
- Nurse Practitioners
- Allied Health Professionals

**Conference Hosted Via ZOOM**

**Course Objectives**

After participation in this course, participants will be able to assess and utilize best practices in the office setting to:
- diagnose and manage sepsis
- evaluate updates in pediatric asthma
- analyze recent articles that impact clinical practice
- counsel on the prevention and management of anaphylaxis
- evaluate how to easily incorporate the use of technology as a viable tool
- discuss an approach to trauma informed care
- assess educational tools for families to prevent drowning
- summarize evaluation and treatment options for opioid use disorder and withdrawal

**Course Direction**

- Rebekah Burns, MD; Planning Lead
- Eileen Klein, MD, MPH
- Richard Shugerman, MD
- Sarah Agraar, ARNP, DNP
- Julie Brown, MDCM, MPH
- Russ Migita, MD
- Robert Roskin, MD
- Elena Shepard, MD, MPH
- Tony Woodward, MD, MBA
- Emily Rice, CME Manager

**Accreditation (applicable for nursing CEU’s)**

Seattle Children’s is accredited by the Washington State Medical Association CME Accreditation Committee to provide continuing medical education for physicians.

Seattle Children’s designates this live educational activity for a maximum of 5.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity meets the criteria for up to 5.5 hours of Category I CME credit to satisfy the relicensure requirements of the Washington State Medical Quality Assurance Commission.

**Program**
