# GENERAL INFORMATION

## Course Description

This course is designed to improve your clinical practice by providing diagnostic and management updates to address gaps in practice encountered in primary care of children. The curriculum includes lectures and workshops with an opportunity to discuss issues with clinical experts.

## Who Should Attend

- Pediatricians
- Family Physicians
- Physician Assistants
- Nurses
- Naturopaths
- Nurse Practitioners
- Allied Health Professionals

## Webinar via Zoom

## Course Objectives

Participants will be able to assess and utilize best practices in the office setting to:

- assess and manage pediatric heart murmurs
- evaluate and manage eating disorders
- assess and manage common anemia issues
- diagnose and manage celiac disease
- assess and manage common dermatology issues
- diagnose and manage psychiatric issues in the primary care setting

## Course Direction

### **Susan Mazor, MD**

Director of Toxicology Service, Seattle Children's  
Associate Medical Director, WA Poison Control Center  
Director, Medical Education, Seattle Children's

### **Kathie Kohorn**

Program Manager, Continuing Medical Education, Seattle Children's

### **Emily Rice**

Program Manager, Continuing Medical Education, Seattle Children's

## Accreditation (applicable for nursing CEU's)

Seattle Children's is accredited by the Washington State Medical Association to provide continuing medical education for physicians.

Seattle Children's designates this live educational activity for a maximum of *6 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity meets the criteria for up to 6 hours of Category I CME credit to satisfy the relicensure requirements of the Washington State Medical Quality Assurance Commission.
