Seattle Children’s
Wright Auditorium
Course Description

This one-day course is designed to provide up-to-date information along with practical evaluation and management strategies for children who present to the primary care setting with urgent problems. The curriculum includes lectures and hands-on interactive workshops with an opportunity to discuss issues with emergency medicine experts.

Who Should Attend

- Pediatricians
- Family Physicians
- Urgent Care Providers
- Residents
- Nurse Practitioners
- Allied Health Professionals

Course Location

Seattle Children’s Wright Auditorium
4800 Sand Point Way NE
Seattle, WA 98105
Free Visitor parking in Lot 1

Course Objectives

After participation in this course, participants will be able to assess and utilize best practices in the office setting to:

- evaluate clinical presentation of vaccine-preventable diseases
- assess and manage children with migraines
- diagnose and form a management plan for the limping child
- integrate advancements in the use of ultrasound guided peripheral IVs
- analyze recent articles that impact clinical practice
- develop a strategy for best serving agitated medically complex children
- identify a strategy to identify and respond to child human trafficking
- assess and manage foreign bodies in the nose and ears

Planning and Organization

Rebekah Burns, MD; Planning Lead
Eileen Klein, MD, MPH
Richard Shugerman, MD
Julie Brown, MDCM, MPH

Russ Migita, MD
Robert Roskin, MD
Tony Woodward, MD, MBA
Emily Rice, CME Manager

Accreditation (applies for Nursing CEARP)

Seattle Children’s is accredited by the Washington State Medical Association CME Accreditation Committee to provide continuing medical education for physicians.

Seattle Children’s designates this live educational activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity meets the criteria for up to 6.75 hours of Category I CME credit to satisfy the relicensure requirements of the Washington State Medical Quality Assurance Commission.

- AAFP Accredited
Guest Faculty
Andrea Cruz, MD, MPH, Associate Professor, Pediatrics-Emergency Medicine, Baylor College of Medicine, Houston, Texas; Texas Children’s Hospital. Dr. Cruz completed fellowships in pediatric emergency medicine and pediatric infectious diseases, as well as an MPH in epidemiology with a focus on global health at the University of Texas School of Public Health. She is research chief for pediatric emergency medicine (PEM), focusing on advancing the clinical research within PEM by fellows and faculty, as well as assisting in establishing collaborations with colleagues within and outside of the Department of Pediatrics. She is the site principal investigator for the Pediatric Emergency Care Applied Research Network (PECARN), a network of 18 academic tertiary care pediatric emergency departments throughout the United States.
