41st Annual Duncan Seminar
Cerebral Palsy
To Mobility and Beyond

Friday, March 27, 2020
7:45 AM - 5:00 PM
Wright Auditorium
Seattle Children’s Hospital
4800 Sand Point Way NE, Seattle, WA 98105

At this one-day conference, participants will gain an understanding of important aspects of neurodevelopmental disorders and support for children with cerebral palsy.

Course Objectives
At the completion of this seminar, participants will be able to:
• Identify evidence-based strategies to care for children and families with Cerebral Palsy (CP).
• Describe novel and current treatments for children with CP to promote mobility.
• Engage with community and advocacy resources to promote the health and participation of children with CP.
• Facilitate interdisciplinary care for children with CP.
• Discuss approaches to alternative and augmentative communication to support development.
• Increase understanding of the family’s journey in caring for their child with CP.

Who Will Benefit Most from Attending This Event
Physicians, nurses, SLPs, OTs, PTs, nutritionists, educators, parents, social workers and other healthcare professionals caring for children with neurodevelopmental disabilities and their families.

Directions, Parking, Accessibility
• Directions and parking information will be provided via email closer to seminar day.
• To request accessibility accommodations, contact Lynna Song at 206-987-5318, Outreach Education at 206-987-3200 or e-mail outreacheducation@seattlechildrens.org.

About the Duncan Seminar
The Duncan Seminar is an annual interdisciplinary conference focused on the care of persons with physical disabilities. It recognizes the major contributions of Dr. William Duncan, orthopedic surgeon, to comprehensive interdisciplinary approaches to cerebral palsy in the Pacific Northwest.
The Duncan Award is presented to one or more individuals whose career exemplifies Dr. Duncan’s dedication and innovation on behalf of children with disabilities.

Dr. Duncan’s family and friends established the Duncan Gift Fund in his honor to provide funds for an honorarium for the Duncan Award winner and to support the Duncan Seminar. Additional donations are welcome and should be specifically labeled for the “Duncan Seminar Gift Fund” and sent to Seattle Children’s Foundation, P.O. Box 5371/MS 5-200, Seattle, WA 98145-5005.

This program is partially supported by the Center on Human Development and Disability, University of Washington, and the Leadership Education in Neurodevelopmental Disabilities (LEND) training program, funded by the Health Resources and Services Administration, Maternal and Child Health Bureau.
