The Heart Center and Outreach Education Present

# Heart of the Matter

Care Across the Continuum of the Heart Center

Seattle Children's, Virtual Conference

December 9, 2020 | 12:30 pm – 4:40 pm

## Overview, Target Audience and Course Objectives

Experts from Seattle Children's Heart Center will present evidence-based education on the care of pediatric cardiac surgery patients. Interprofessional participation is encouraged for registered nurses, advanced practice providers, physicians, medical assistants, and others who participate in the care of infants, children, and adolescents in a pediatric cardiology and heart surgery center.

Participants will:

- Develop appreciation, knowledge, and skills to deepen understanding of the care of pediatric cardiac patients
- Identify strategies used throughout a pediatric cardiac center to promote excellence in care and patient outcomes
- Formulate evidence-based approaches to design strategies, interpretation of care, and impact long-term outcomes for pediatric cardiac patients
