

# Outreach Education Regional Neonatal Nursing Grand Rounds

## Nursing and Antimicrobial Stewardship Collaboration

Presented by: Daniel J. Pak, Pharm. D  
Thursday, March 4, 2021 | 1 pm - 2 pm PST via Webex

Program Objectives – The learner will be able to:

- Define antimicrobial stewardship (ASP)
- Differentiate broad vs narrow spectrum antibiotics and rationale for antibiotic changes
- Discuss ASP intentions and goals
- Demonstrate ASP's contribution to Nursing accreditation efforts
- Identify Nursing and ASP opportunities

Daniel J. Pak, Pharm. D has worked as a pharmacist since 2005. He started his career in General Surgery then progressed to the Neonatal & Pediatric ICUs in 2007. He is a residency-trained clinical pharmacist with 14 years of experience at Seattle Children's Hospital with a focus on antimicrobial stewardship, pediatric infectious disease and critical care. Daniel is an author of multiple poster publications with experience as an adjunct professor at University of Washington School of Pharmacy and as a key speaker for several professional lectures. Daniel has extensive experience leading and implementing key institutional initiatives and obtained prescriptive authority for parenteral nutrition, anticoagulation and antimicrobial monitoring in State of Washington.
