Regional Pediatric Nursing Grand Rounds

2019 - 2020 Video Teleconference Series

Update on Cystic Fibrosis

Presented by: Janine Cassidy, MSN, ARNP-CS, PCNS-BC, CPN

Thursday, January 9, 2020 | 2 pm - 3 pm PST
Broadcast from Seattle Children’s Hospital, Wright Auditorium

Janine Cassidy received her BSN from the University of Wyoming and her MSN from Loyola University Chicago. She is an Affiliate Instructor in the Department of Child, Family and Population Health Nursing at the University of Washington. She has been the Clinical Nurse Specialist for the Cystic Fibrosis (CF) program at Seattle Children’s since 1997. In this role, she provides leadership for the coordination of care for more than 200 pediatric patients with CF as well as coordination of the multidisciplinary team. Along with the CF QI Team, she leads the quality improvement efforts at the center, which received a Quality Care Award from the Cystic Fibrosis Foundation (CFF) in 2011, recognizing outstanding QI processes and accomplishments. In collaboration with parents from CF clinic, she started a Parent Advisory Council which spearheaded the development of the SCH Outpatient CF Exercise Program.

Program Objectives – The learner will be able to:

1. Review basic multi-organ pathophysiology in cystic fibrosis (CF)
2. Summarize newborn screening algorithm for CF
3. Describe common treatment modalities for CF lung disease and pancreatic insufficiency including new highly effective modulator therapy
4. Identify resources for support of care for patients with CF in the community as well as guidelines of care

Accreditation
