

WHO	Should be referred to the Adolescent Medicine Clinic?	We see patients ages 10 through 20 for the following conditions: gynecomastia, non-acute testicular pain/mass, STDs, sexual concerns (ie. erectile dysfunction), and delayed puberty.
WHAT	Work-up is needed prior to the first appointment?	No pre-referral work-up is required for most conditions, although we request pertinent medical records including any labs be provided. If you have already done a work-up, please fax your information to 206-985-3121.
WHICH	Provider will my patient see at the first appointment?	Your child will be seen as quickly as possible with the provider on the specialty team who is the best match for managing the current problem. To meet the Adolescent Medicine Care team CLICK HERE .
WHERE	Will my patient be seen?	Adolescent Medicine Clinics are held in Seattle, Bellevue, Federal Way and Olympia. For maps and directions CLICK HERE .
