

WHO	Should be referred to the Childhood Communication Center?	We see patients ages 0 to 21. The center includes several programs and clinics including the Cochlear Implant Program, Hearing Loss Clinic, Voice Clinic, and Velopharyngeal Deficiency (VPD) Clinic.
WHAT	Work-up is needed prior to the first appointment?	No pre-referral work-up is required for most conditions. If you have already done a work-up or you have records from another facility, please fax your information to 206-985-3121.
WHICH	Provider will my patient see at the first appointment?	Your child will be seen as quickly as possible with the provider on the specialty team who is the best match for managing the current problem. To meet the Childhood Communication Center Team CLICK HERE .
WHERE	Will my patient be seen?	Childhood Communication Center Clinics are held in Seattle. For maps and directions CLICK HERE .
