

<h2>WHO</h2>	<p>Should be referred to the Early Childhood Clinic?</p>	<p>We see patients ages birth to 5 years of age with presenting concerns of behavioral or emotion regulation problems, anxiety, or sleep problems. We offer comprehensive diagnostic evaluations, parent training groups and medication evaluations. Exclusions include evaluation for Autism Spectrum Disorder which should be referred to Seattle Children's Autism Center. For more information about specific services <a href="#">CLICK HERE</a>.</p>
<h2>WHAT</h2>	<p>Work-up is needed prior to the first appointment?</p>	<p>No pre-referral work-up is required. Please fax relevant medical, educational and treatment records to 206-985-3121. <b>INSURANCE ALERT:</b> Not all plans contract with Seattle Children's for mental health services. <a href="#">CLICK HERE</a> for information about mental health insurance.</p>
<h2>WHEN</h2>	<p>Will my patient be able to obtain an appointment?</p>	<p>Capacity in the Early Childhood Clinic is limited. There may be up to a 60 day wait for an evaluation. Community referrals will be provided if our openings are beyond 60 days.</p>
<h2>WHICH</h2>	<p>Provider will my patient see at the first appointment?</p>	<p>Our clinical team includes clinical psychologists, licensed master's level therapists, a child and adolescent psychiatrist, and psychiatry and psychology residents and fellows. New patients are scheduled with team members according to availability. To meet the Psychiatry and Behavioral Medicine Care Team <a href="#">CLICK HERE</a>.</p>
<h2>WHERE</h2>	<p>Will my patient be seen?</p>	<p>The Early Childhood Clinic is located at Seattle Children's Main Campus. For maps and directions <a href="#">CLICK HERE</a>.</p>
