

WHO	Should be referred to Physical Therapy at Seattle Children's?	We see patients ages 0 to 21 for the following reasons: strength and flexibility training, gross motor development, gait training, orthotic and prosthetic training, spasticity management, sports physical therapy, pain management, neonatal and infant therapy and assistive technology.
WHAT	Work-up is needed prior to the first appointment?	A prescription from your primary care provider is required in order to schedule a physical therapy appointment. Please fax any work-up you may have done, as well as the prescription to 206-985-3121.
WHICH	Provider will my patient see at the first appointment?	Your child will be seen as quickly as possible with the provider on the specialty team who is the best match for managing the current problem. To meet the Physical Therapy team CLICK HERE .
WHERE	Will my patient be seen?	Physical Therapy Clinics are held in Seattle, Bellevue (Sports Physical Therapy only) and Federal Way. For maps and directions CLICK HERE .
