

WHO	Should be referred to the Plastic Surgery Clinic?	We see patients ages 0-21 for the following conditions: surgical treatment of lesions such as congenital or atypical nevus, sebaceous nevus, cysts, skin or soft tissue tumor, skin tags, pyogenic granuloma, suspected malignant lesion, dermoid cysts of skull or face, ear anomalies, facial fractures (mandible, orbital, zygoma), lacerations with open wounds or that are poorly healing, scars, and vascular malformations.
WHAT	Work-up is needed prior to the first appointment?	No pre-referral work-up is required for most conditions. Please send any imaging studies (CT, MRI) that have been done. Biopsy reports and slides must accompany requests for re-excision of lesions biopsied elsewhere. Please fax your Information to 206-985-3121.
WHICH	Provider will my patient see at the first appointment?	Your child will be seen as quickly as possible with the provider on the specialty team who is the best match for managing the current problem. To meet the Plastic Surgery Team CLICK HERE .
WHERE	Will my patient be seen?	Plastic Surgery Clinics are held in Seattle, Bellevue and Tri-Cities. For maps and directions CLICK HERE .
