## Why Choose Seattle Children's South Sound Cardiology Clinics

- **Clear communication** — We work with you and your office to make referrals. If a consult is needed, call our Tacoma office at 253-272-1812. Urgent consults are available by paging on-call cardiologist at 253-233-0086.
- **Easy access** — We can see most new patients within 7 days. We hold urgent slots for patients who need to be seen right away.
- **Full spectrum of cardiology care** — Our South Sound experts provide timely access to all cardiac services, from fetal echocardiograms to cardiac care for young adults. Surgeries can be done in Tacoma to minimize travel for patients and their families as part of Seattle Children's and Mary Bridge Children's Regional Cardiac Surgery Program.
