Course Description

This course is designed to improve your clinical practice by providing diagnostic and management updates to address gaps in practice encountered in primary care of children. The curriculum includes lectures and workshops with an opportunity to discuss issues with clinical experts.

Who Should Attend

- Pediatricians
- Family Physicians
- Physician Assistants
- Nurses
- Naturopaths
- Nurse Practitioners
- Allied Health Professionals

Course Location

Seattle Children’s - Wright Auditorium
4800 Sand Point Way NE
Seattle, WA 98105
Parking: Free in Visitor Lot 1; map and directions accompany registration

Course Objectives

Participants will be able to assess and utilize best practices in the office setting to:

- assess current guidelines for asthma management
- evaluate pediatric abdominal pain diagnostic tools
- analyze effect of social media on the mental health of adolescents
- discuss scope of practice and care coordination in naturopathic medicine
- diagnose and manage pediatric nephrolithiasis
- evaluate new tactics for pediatric marijuana use prevention and intervention

Course Direction

Susan Mazor, MD
Director of Toxicology Service, Seattle Children’s
Associate Medical Director, WA Poison Control Center
Director, Medical Education, Seattle Children’s

Kathie Kohorn
Program Manager, Continuing Medical Education, Seattle Children’s

Emily Rice
Program Manager, Continuing Medical Education, Seattle Children’s

Accreditation (applicable for nursing CEU’s)

Seattle Children’s is accredited by the Washington State Medical Association to provide continuing medical education for physicians.

Seattle Children’s designates this live educational activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity meets the criteria for up to 6 hours of Category I CME credit to satisfy the relicensure requirements of the Washington State Medical Quality Assurance Commission.

- AAFP Credits
