4:05 pm Q & A

4:15 pm ADJOURN
Course Description
This one-day course is designed to provide up-to-date information along with practical evaluation and management strategies for children who present in the primary care setting with urgent problems. The curriculum includes lectures and hands-on interactive workshops with an opportunity to discuss issues with emergency medicine experts.

Who Should Attend
- Pediatricians
- Family Physicians
- Physician Assistants
- Allied Health Professionals
- Emergency Physicians
- Nurse Practitioners
- Emergency Nurses

Course Location
Seattle Children’s - Wright Auditorium
4800 Sand Point Way NE
Seattle, WA 98105
(Parking is free - see map included with registration confirmation)

Course Objectives
Participants will be able to assess and utilize best practices in the office setting to:
- identify and mitigate delirium
- identify uses of ultrasound at point of care
- provide ongoing management for children treated for intussusception
- evaluate and manage emergencies before referral to ED
- analyze recent articles that impact clinical practice
- diagnose and treat adolescents with adult diseases
- identify toxic agents and manage poisonings

Course Direction
- Eileen Klein, MD, MPH – Co-Chair
- Richard Shugerman, MD – Co-Chair
- Julie Brown, MDCM, MPH
- Rebekah Burns, MD
- Donald Chapman, MD
- Brianna Enriquez, MD
- Suzan Mazor, MD
- Russ Migita, MD
- Carolyn Paris, MD, MPH
- Tony Woodward, MD, MBA
- Kathie Kohorn, CME Program Manager

Accreditation
Seattle Children’s is accredited by the Washington State Medical Association CME Accreditation Committee to sponsor continuing medical education for physicians.

Seattle Children’s designates this live educational activity for a maximum of 7 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity meets the criteria for up to 7 hours of Category I CME credit to satisfy the relicensure requirements of the Washington State Medical Quality Assurance Commission.

- AAFP
**FACULTY**

**Guest Faculty**

**Loren Yamamoto, MD, MPH, MBA**  
Dr. Yamamoto is Professor of Pediatrics at the University of Hawaii and a Pediatric Emergency Medicine physician since 1988. He is a prolific researcher with over 120 peer-reviewed publications and renown for his mentorship of medical students and trainees.

Nationally, Dr. Yamamoto is known as a consummate educator, giving frequent educational presentations. He created a well known web site “Radiology Cases in Pediatric Emergency Medicine” used by pediatricians, family practice physicians, and trainees and for which he won the AAP professional Medical Education Award. The link for downloading cases is: http://www.hawaii.edu/medicine/pediatrics/pemxray/pemxray.html
